**FLOWERS:**

We are always more than willing to decorate your cake with fresh flowers or lay your flowers around the base of the cake at delivery. If you have a specific lay out you should give us a sketch of exact placement. The price of the flowers for the cake will be

included in your contracted price. Flowers for the cake table (or anywhere else) need to be provided by your florist. Please be certain to provide examples of the specific colors and types of flowers you want on your cake. We will also be glad to work with your florist directly to ensure that everything matches.

### **ORNAMENTS/ TOPPERS:**

Ornaments can be brought to the bakery between 14-30 days before your wedding or event. Topping cake with ornaments that are too heavy or not secured properly may cause damage to your cake. If any party, other than a Bella Cakes employee, adds to a cake, we are not responsible for damage to the ornament or to the cake.

### **PICKING UP YOUR CAKE:**

Picking up your cake is a great way to save money. If you choose to pick up your cake you should make sure that you have a clean, flat surface to set cake on while driving. Vans, sport utility and any vehicle that the back seat folds in so the air conditioning can make it to the trunk are the best for traveling. If you are in a car, the floor is generally safer than the seat. Most of our cakes are either too large or irregularly shaped to fit in a cake box so you need to take special care to protect them. Once you leave with the cake it is no longer the responsibility of Bella Cakes.

I have read and understand all that has been proposed. I have received a copy of this contract for my records.
